

## Spread The Fire!!!

Fueled by Fire

Walking Around with a twitch in your eye  
Wishing it was the 80's when we ruled in  
Our time, but open your eyes and look  
Around, Thrash is coming back, and we'll  
Put up a fight  
Spread the Fire!  
Spread the Fire!  
Spread the Fire!  
Spread the Fire!  
C'mon  
Burnouts say that Thrash is gonna let em  
So what ever they want, they won't know  
Till they find out, don't you forget  
That Thrash is coming back  
Spread the Fire!  
Spread the Fire!  
Spread the Fire!  
Spread the Fire!  
C'mon
