

## Ex-Spectator

Fugazi

Looking out for cars and mortality trying to find some sort of  
geometry  
Avoiding mistakes keep an eye on every step I take  
Everything is building and it appears that you're all architect  
s and engineers  
That's how it looks that's how it looks from here  
I'm an ex-spectator can't you see  
I'm an ex-spectator never let me, never let my, never let my vi  
sion get in the way of  
Here's some questions that the writer sent  
Can an observer be a participant?  
Have I seen too much?  
Does it count if it doesn't touch?  
If the view is all I can ascertain pure understanding is out of  
range  
If I make that call why can't I make that change?  
I'm an ex-spectator can't you see?  
I'm an ex-spectator never let my never let my vision get in the  
way of me
