

## Five Corporations

Fugazi

Moves so slowly  
Grows so smoothly  
Takes so neatly  
It's as if they belong and they've been here all along  
Grows so smoothly  
Moves so slowly  
Takes completely  
It's as if they belong and they've been here all along  
This one's ours let's take another  
Check the math here check in ten years  
Clusterfuck theory buy them up and shut them down  
Then repeat in every town  
Every town will be the same  
This one's ours let's take another  
Five corporations there is a pattern
