

# All of You Are Cunts and I Hope You Fucking Die

Fukpig

All of you are cunts  
I hope you fucking die

All of you are cunts  
I hope you fucking die  
Boring me to death  
You fucking parasite

Screaming in your face  
Declare my fucking hate  
You've all finished last  
If we're in the human race

All of you are cunts  
I hope you fucking die  
Your existence makes me shudder  
Your fucking end is nigh

All of you are cunts  
I hope you fucking die  
Take your last breath  
You fucking parasite

A fucking waste of air  
A fucking waste of spunk  
You'll be no match for necropunk
