

All of You Are Cunts and I Hope You Fucking Die

Fukpig

All of you are cunts
I hope you fucking die

All of you are cunts
I hope you fucking die
Boring me to death
You fucking parasite

Screaming in your face
Declare my fucking hate
You've all finished last
If we're in the human race

All of you are cunts
I hope you fucking die
Your existence makes me shudder
Your fucking end is nigh

All of you are cunts
I hope you fucking die
Take your last breath
You fucking parasite

A fucking waste of air
A fucking waste of spunk
You'll be no match for necropunk
