

My final resting place
This morgue of disgrace

To live in my world baby
ain't for me

Last day
First breath
I was born by the grace

R: Paradise
For one bite they let it go
Under my control
I'm better than Him
Knowing when to spin
Getting in the thrill
Gun-Shy
No, I'm unbeatable

The birth of human race
Is written in my face

Read my lips baby
Swear in my name

The mind's strong
Flesh is weak
I've created my own reality

R: Paradise
For one bite they let it go
Under my control
I'm better than Him
Knowing when to spin
Getting in the thrill
Gun-Shy
No, I'm unbeatable

Gun-shy
Gun-shy

R: Paradise
For one bite they let it go
Under my control
I'm better than Him
Knowing when to spin
Getting in the thrill
Gun-Shy
No, I'm unbeatable

Gun-shy
