

I Wanna B With U

Fun Factory

Chorus: I wanna b with you

I wanna b with you baby

Yeah baby

Vers: I wanna b with you 'cause my love is true

There's so many things that i wanna do

I wanna b with you every night and day

Oh baby oh baby please stay

Rap 1: What's up what's wrong?

Don't stop loving me

'cause my love is very deep

And i know what you need

What can i do to fulfill your dreams?

I wanna b with you

No matter what you do so come on

Give what i need

Hit hit i get straight with it

'cause when i see you girl

You know you make me go wicked

Back to the point and you know me be movin'

I wanna be with you 'cause

My heart is still groovin'

Rap 2: Girlie girlie tell me

What you want from me

So deep in love baby can't you see

I wanna hear

Some lovely words from you

Come baby come

Say i wanna be with you

I wanna be with you

You wanna be with me girl well just come here

The love i got will be right here

I wanna make you weak in every way

'cause the love i give you walk this way
