

# Carry On

Fun.

1. Well I woke up to the sound of silence and guns  
were cutting like knives in a fist fight  
And I found you with a bottle of wine  
your head in the curtains and heart like the 4th of July

You swore and said we are not  
we are not shining stars  
This I know  
cause I never said we are

Though I've never been through hell like that  
I've closed enough windows to know you can never look back

R: If you're lost and alone, or you're sinkin like a stone  
Carry on  
May your past be the sound of your feet upon the ground  
Carry on  
Carry on carry on

2. So I met up with some friends at the edge of the night  
at a bar off 75  
And we talked and talked about how our parents will die  
All our neighbors and wives

X: But I'd like to think  
I can cheat it all  
to make up for the times i've been cheated on  
And it's nice to know  
when I was left for dead  
I was found and I know not these streets  
I am not the ghost you want to be

R: If you're lost and alone, or you're sinkin like a stone  
Carry on  
May your past be the sound of your feet upon the ground  
Carry on

ohhhhhhhhhhhhhh

\*: My head is on fire, but my legs they're fine  
Cause after all, they are mine  
Lay your clothes down on the floor, close the door, hold the phone  
show me how, no one's ever gonna stop us now

X: Cause we are, we are shining stars  
We are invincible, we are who we are  
On our darkest day, when we're miles away  
Sun will come, we will find our way home

R: If you're lost and alone, or you're sinkin like a stone  
Carry on  
May your past be the sound of your feet upon the ground  
Carry on

Carry on carry on  
Carry on carry on
