

# Cops Are No Human Beings

## Funeral Dress

See that copper across the street  
He's out for me, I feel the heat  
I gotta watch out, I can't get away  
He grabs his baton, don't know what to say

I didn't steal anything  
didn't rape anyone  
but he beats me down  
BEATS ME DOWN

didn't spit in his face  
haven't kicked in his car  
though I hit the ground  
HIT THE GROUND

(I say) COPS ARE NO HUMAN BEINGS

Looking for a riot now, late at night  
I wanna take take revenge, I'm ready for a fight  
I'm on with my mates, and we gonna make 'em clear  
We do what we want, and we won't SHOW NO FEAR
