

Lsd

Funeral Dress

What a boring life I lead
not enough sex and not enough speed
and now I live on LSD
a thousand pigs are chasing me

LSD (4x)

Taking capsules, sniffing powder
makes the music faster louder
sticking needles smokin' hash
makes me wanna spew and slash

Dope will be the death of me
heroin and LSD
I think I'll stick to mushroom tea
but that ain't strong enough for me
