

# This Year's Most Open Heartbreak

## Funeral for a Friend

Throw that punch, swing to hit the target  
It's a pointless game, one better, less played  
Suicide to kiss your kids goodnight  
Will you take from them, what they've taken from you

To be the last one, who will sing you to sleep  
To be the last one, who will sing you to...

Just like your unbroken records (unbroken)  
A comfort for you tonight

Throw that punch, swing to hit the target

Just like your unbroken records (unbroken)  
A comfort for you tonight  
(2x)

(We will never be the same)  
Same old songs on a brand new stereo  
(We will never be the same)  
Same old songs on a brand new stereo  
(We will never be the same)  
Same old songs on a brand new stereo  
(We will never be the same)  
Same old songs!
