

I Cum On Your Grave

Funeral Rape

No respect for death:
Insane amusement in the night,
An act of total depravation...
I cum on your grave!

Better to cum on a tombstone
than be dead with the cum on you.
Masturbation is very good...
I shake the cock!

I cum on your grave
I cum on your grave

Who is this f**king shit-face?
(I cum on your grave...)
It's your tomb photograph...
(Bastard son of a bitch!)
