

Raping The Undertaker

Funeral Rape

You elapse your time
molesting innocent corpses,
Fucking with the dead
is your style of life...

Savage necro-orgy in the night,
Inviting freak of nature and whores:
Your amusement is cum on the graves
while you masturbate yourself with a skull.

Raping the undeartaker...

But a day the undertaker caught you,
So he was sodomized with a bone,
Assfucked at ninety deegree
And, finally, killed.

The undertaker's carcass
was raped all night long
by the insane maniac with enourmous-hard cock.
...And at the end of the carnage
He was brutally dismembered
to drink his bloody, infected and warm sperm...

Raping the undertaker...
