Funeral Rape

Sex Sex Sex...
Sex Sex Sex...
Sex Sex Sex...
Sex Sex Sex!

Nobody can stop this game,
The rape has finally begun,
Frightened girls with open cunts,
Broken asses ready to be f**ked.

Pins are hanging bums at the wall
Dives in pools of rotting sperm,
Cannibalized cocks in your mouth
Screaming bitches down in the streets...

The antichrist has come to f**k you!
