

She Sucked The Wrong Cock

Funeral Rape

She sucked the wrong cock

Her mouth puts a dick up,
A really dirty cock,
Splash of sperm on the tongue,
Viruses and batteries go down for her esophagus.
Now she is vile, pale like a dead
She sleeps between the sweepings
No one wants now to fuck her,
She's alone in her sickness

She's infected!
She sucked the wrong cock

When she wants cum again
She inserts a mouse in her cunt.

She sucked the wrong cock
