

The Land Of Sluts

Funeral Rape

There's a place on Earth
where the sluts are fucking crazy
and teenies like to fuck with horses...
It's name is Spermland.

Welcome to the city of lust:
Cum rains from the sky,
Free whores are everywhere
And the pimps are friendly.

Bastard cunts adorn the house,
Savage orgies in the streets:
The ancient place of depravation
where Funeral Rape live at...

Funeral Rape
Spermland, Spermland...

Welcome...
Spermland, Spermland...

Funeral Rape
Spermland, Spermland...
