

## The Land Of Sluts

## Funeral Rape

There's a place on Earth  
where the sluts are fucking crazy  
and teenies like to fuck with horses...  
It's name is Spermland.

Welcome to the city of lust:  
Cum rains from the sky,  
Free whores are everywhere  
And the pimps are friendly.

Bastard cunts adorn the house,  
Savage orgies in the streets:  
The ancient place of depravation  
where Funeral Rape live at...

Funeral Rape  
Spermland, Spermland...

Welcome...  
Spermland, Spermland...

Funeral Rape  
Spermland, Spermland...
