

Hands down by your side

Funeral Suits

Inside
The walls are falling
Falling down, oh

For spite
The hunter kills the
Village clown, oh

Hands down by your side
Hands down by your side

Hands down by your side
Hands down by your side

Inside
The walls are falling
Falling down

For spite
The hunter kills the
Village clown

Hands down by your side
Hands down by your side

Hands down by your side
Hands down by your side
