

Modern Urban Pleasure

Funeral Suits

Bleed from your heart
Bleed from your soul
Chew you, spit you out
Swallow you whole
Never feel young, never feel old
Winter is hot, summer is cold

Your heavy heart, my heavy hands
No one ever dreams again
(2x)

You fall through the cracks
Watch your step, theres no coming back
How do these, get into your head?
Young naive, easily lead

Your heavy heart, my heavy hands
No one ever dreams again
(4x)

Alright, alright, alright, alright, alright, alright...
i'm alright, i'm alright, i'm alright, i'm alright
