## **Back in Our Minds**

## **Funkadelic**

We are back in our minds, again We are back in our minds, again We are back in our minds, again We don't fight no more We don't close that door This time for sure We can't stand no more Fussin' and a-cussin' each other Souls to your brother Livin' in this world we all live in We are back in our minds, again We are back in our minds, again We are back in our minds, again We don't fight no more We don't close that door This time for sure We can't stand no more Fussin' and a-cussin' each other Souls to your brother Livin' in this world we all live in Back in our minds again
