Funkadelic

Comin' round the mountain when she comes  
Ridin' two white horses when she comes  
Comin' round the mountain when she comes  
Get out on the dance floor when she comes  
Comin' round the mountain when she comes  
Ridin' two white horses when she comes

Get out on the dance floor when she comes  
Doin' it, because we like it  
Doin' it just for fun
