

Holly Wants to Go to California

Funkadelic

Holly wants to go to California
Holly would if only Holly could
Holly, she belongs in California
Holly would if only Holly could
Holly's got a heavenly body
Which all stars needs to shine
Holly, she's a star
Holly's got a beautiful mind
Holly wants to go to California
Holly would if only Holly could
Holly, she belongs in California
Holly would if only Holly could
Holly's got a heavenly body
Which all stars, they needs to shine
Holly, she is a star
Holly's got a beautiful mind
If Holly wants to go to California
Holly would if only Holly could
And she'd shine like the Hollywood sign
On Sunset and Vine in the nighttime, in the nighttime
Holly wants to go to California
Holly would and if Holly ever should
Holly's got a heavenly body
Which all stars, they needs to shine
Holly, she's a star, she's a star
And Holly, she's got a beautiful mind
Let Holly go to California
'Cause Holly would if only Holly could
Holly wants to go to California
Holly would if only Holly could
Then she'd shine like the Hollywood sign
On Sunset and Vine in nighttime, in the nighttime
Holly wants to go to California
Yeah, she'll make it
