

Navigator

Funker Vogt

We sometimes want to be led by

The hand of a higher creature

So we just have to follow

The direction of the navigator

Follow me, just follow me!

We sometimes want to be led by

The hand of a higher creature

So we just have to follow

The direction of the navigator

Follow me, just follow me!

We sometimes want to be led by

The hand of a higher creature

So we just have to follow

The direction of the navigator

Follow me, just follow me!
