## Navigator

**Funker Vogt** 

We sometimes want to be led by

The hand of a higher creature So we just have to follow The direction of the navigator

Follow me, just follow me!

We sometimes want to be led by

The hand of a higher creature So we just have to follow The direction of the navigator

Follow me, just follow me!

We sometimes want to be led by

The hand of a higher creature So we just have to follow The direction of the navigator

Follow me, just follow me!
