

## Nothing to Include

Funker Vogt

thinking nad learning  
calcuating and computing  
reading, memorizing  
talking and apologizing

3D and efficient  
appraising this attitude  
four steps, comprehend?  
here is nothing to include

brain dead no excuse  
leaving a useless shell  
control of the system  
only with your mind

chorus:  
acting without moving  
illustrating without speaking  
turning into transforming
