

# TAKE CARE

Funker Vogt

CROWDED CITIES POLLUTED AIR  
EVERY DAY IS GETTING WORSE  
TRY TO BREATHE THE SMOKY STEAM  
IT WILL AFFECT YOUR LUNGS

BURNING OIL-FIELDS IN IRAQ  
A DARK CLOUD DARKENS THE SUN  
BUT THIS HAPPENS SO FAR AWAY  
SO WHY SHOULD I TAKE CARE

WE ARE LIVING IN A NIGHTMARE  
WE CALL IT NORMAL LIFE  
THE TIME IS REACHED THAT WE TAKE CARE  
AND STOP DANCING ON THE KNIFE

THE OZONE-LAYER IS DESTROYED  
DEADLY SUNRAYS HIT THE EARTH  
THE WORLD TURNS FROM GREEN TO GREY  
ALL THAT REMAINS IS DUST

AS LONG AS I LIVE IT WILL BE FINE  
THERE'S NOTHING WHAT I CAN DO  
THE WORLD WILL DIE AND SO DO I  
SO WHY SHOULD I TAKE CARE

WE ARE LIVING IN A NIGHTMARE  
WE CALL IT NORMAL LIFE  
THE TIME IS REACHED THAT WE TAKE CARE  
AND STOP DANCING ON THE KNIFE
