

TAKE CARE

Funker Vogt

CROWDED CITIES POLLUTED AIR
EVERY DAY IS GETTING WORSE
TRY TO BREATHE THE SMOKY STEAM
IT WILL AFFECT YOUR LUNGS

BURNING OIL-FIELDS IN IRAQ
A DARK CLOUD DARKENS THE SUN
BUT THIS HAPPENS SO FAR AWAY
SO WHY SHOULD I TAKE CARE

WE ARE LIVING IN A NIGHTMARE
WE CALL IT NORMAL LIFE
THE TIME IS REACHED THAT WE TAKE CARE
AND STOP DANCING ON THE KNIFE

THE OZONE-LAYER IS DESTROYED
DEADLY SUNRAYS HIT THE EARTH
THE WORLD TURNS FROM GREEN TO GREY
ALL THAT REMAINS IS DUST

AS LONG AS I LIVE IT WILL BE FINE
THERE'S NOTHING WHAT I CAN DO
THE WORLD WILL DIE AND SO DO I
SO WHY SHOULD I TAKE CARE

WE ARE LIVING IN A NIGHTMARE
WE CALL IT NORMAL LIFE
THE TIME IS REACHED THAT WE TAKE CARE
AND STOP DANCING ON THE KNIFE
