(Wow!)

Oh Yeah!

People need to protect their feelings with arms  
From this cold world  
From this cold world  
Everywhere souls are being ripped apart and we feel at ease  
When pools of blood have run

Koete ku koete kunda ichi-do kiri no ashita o!!  
Moe teru moe teru nda inochi ga boku o ma teru!!  
In a world like this to keep on singing songs  
Of hope is becoming for me a feat in vain

Dare ka ga nai terya te o sashidasu nigitta te to kokoro de odorou ze dansu  
Son'na no zenbu ni ruuru ga iru no ka? Dattara bu kowashite yaru zettai!!  
Ashita mo wakaranu sekai de ai, yume, kibou, iroiro egaite  
Hada, iro, kotoba ya kanjou sasaina chigai de pazuru wa kamiau  
Ikou mirai e!!

Nobody sees the crying moon, Nobody hears the screaming sun  
The arms to protect become weapons against the weak

In a world like this to keep on singing songs  
Of hope is becoming for me a feat in vain

Nani ka ga chigaeba arasoi ai naimononedari de itsumo ubaiiai  
Nande son'na ruru ga anda yo? Ima kara bu kowashite yaru zettai!!  
Ashita mo wakaranu sekai de ai, yume, kibou, iroiro egaite  
Hada, iro, kotoba ya kanjou sasaina chigai de ore wa kamiau  
Ikou mirai e!!

Koete ku koete kunda kimi to boku no ai da o!!  
Moe teru moe teru nda inochi ga kimi o yon deru!!

In a world like this to keep on singing songs  
Of hope is becoming for me a feat in vain

Dare ka ga nai terya te o sashidasu nigitta te to kokoro de odorou ze dansu  
Son'na no zenbu ni ruuru ga iru no ka? Dattara bu kowashite yaru zettai!!  
Ashita mo wakaranu sekai de ai, yume, kibou, iroiro egaite  
Hada, iro, kotoba ya kanjou sasaina chigai de pazuru wa kamiau  
Ikou mirai e!!

Do we need rules to stretch out a hand to those who cry  
Dance with hands joined, hearts as one  
No, we need to want to  
With everyone different towards the unknown we dream  
And to complete the puzzle we must join,  
Let's move to the future as one

Ikou mirai e!!

Oh Yeah!  
Ikou mirai e!!
