

## A New Desert Life

### Further Seems Forever

This is where the water becomes shallow.  
And nothing here is quite as deep  
as you hoped it would be.

You wish the lines were drawn a little clearer.  
The tides have turned  
this drought will burn  
and everything is falling out of place.

And drying in the sun  
shriveling and shrinking  
the hides are turning brown  
wrinkling and stinging.

as you bury yourself

deep in the dust  
of the sandiest grave you can find  
it's a new desert life.

to be reborn again  
out of glass and of sand  
and you're shimmering and you are clear.

this is where  
the water is shallow and nothing is as deep  
as you hoped it would be.

and this drought will burn  
and everything's falling  
out of place.

and you're glimmering and you are clear.
