

New Year's Project

Further Seems Forever

Your hands didnt move
well neither did mine.
New Years will bring
so much to say
but nothing comes out right
both of us left without words
both of us lost in this world
it's softer than ever before.

And you were the outline
of everything you would become.
The keeper of these hands.
To hold you now
it is a far cry more than anything that I deserve.

I'm waiting to give you whatever the world may bring
I'd give you my life
cause I don't own anything.
It seemed like the bottom was all that I had until now
I'd give you my life
if you'd give me yours somehow.

Your hands didn't move
well neither did mine
New Years will bring me to you.
I'm waiting to give you whatever the world may bring
I'd give you my life
cause I don't own anything.
It seemed like the bottle was all that I had until now
I'd give you my life
if you'd give me yours somehow.
