

Stay Clean This Day

Fury In The Slaughterhouse

Welcome to the land where chief yellow horse
Used to sell his ass
While telling me that
He loves me
How far can you lose your pride
I know that it's hard to stay clean these days

Welcome to the river
Where young women used to drown their babies
Because there's not enough to eat
Their husbands told them so
How worthy is a life
Stay clean these days

Welcome to the country where the boldheads
Burn the houses of their neighbors
Just because they are bored
Why don't they burn themselves
I know that it's hard to stay clean these days stay clean these
days
Stay clean these days
Stay clean these days
Stay clean these days

I know that it's hard to stay clean these days
Stay clean these days
Stay clean these days
Stay clean these days
Stay clean these days

Stay clean these days
