

## Stay Clean This Day

### Fury In The Slaughterhouse

Welcome to the land where chief yellow horse  
Used to sell his ass  
While telling me that  
He loves me  
How far can you lose your pride  
I know that it's hard to stay clean these days

Welcome to the river  
Where young women used to drown their babies  
Because there's not enough to eat  
Their husbands told them so  
How worthy is a life  
Stay clean these days

Welcome to the country where the boldheads  
Burn the houses of their neighbors  
Just because they are bored  
Why don't they burn themselves  
I know that it's hard to stay clean these days stay clean these  
days  
Stay clean these days  
Stay clean these days  
Stay clean these days

I know that it's hard to stay clean these days  
Stay clean these days  
Stay clean these days  
Stay clean these days  
Stay clean these days

Stay clean these days
