## **Things Like This**

## **Fury In The Slaughterhouse**

Iç£ $\square$  not looking for absolution For all my sins or every fight Smells like sneaking dissolution and I go out most every night Iç£ $\square$  not the one here who has to hide

Things like this don't grow on trees ,babe !
Things like this don't come for free
Sometimes ?
The obvious is hard to see
Like raindrops in the stormy sea
So won't you live with me on my tree

I can`t regret misunderstandings
Not even all the ones Iç£□e caused
The best conditions for crashlanding
So Iç£□ not sure if I can stay
And remain sincerely yours

Things like.....
