

# Your Love Would Take Me Anywhere

## Fury In The Slaughterhouse

I tell you complicated girls  
are complicated lovers  
and mostly later they become  
complicated mothers

you say you love me, I don't care  
'cause you're love won't take me anywhere  
you're love won't take me anywhere, babe  
you say you love me, I don't care  
'cause you're love won't take me anywhere  
oh yeah

come on not another try  
'cause the time is really wasted  
crap declared as first class meal  
and I paid before I tasted

you say you love me, I don't care  
'cause you're love won't take me anywhere  
you're love won't take me anywhere, babe  
you say you love me, I don't care  
'cause you're love won't take me anywhere  
hmm, hmm  
yeah

empty tea cups and the look of angry mothers  
a lonely angel hidden inbetween the others  
with wings so white much to white to fly  
a handicaped angel in a wheelchair passes by  
soken wet I awake you are away  
a smile comes in my face and suddenly I say  
jippee yo jippeyay  
jippee yo jippeyay  
jippee yo jippeyay

you're love won't take me anywhere  
you're love won't take me anywhere, babe  
you say you love me, I don't care  
'cause you're love won't take me anywhere

anywhere, anyhow  
yeah yeah  
anywhere
