So Close So Far

Future of Forestry

Here, I'm a stranger in love
With kindness, in love with your
Kindness
Home, you're the scent of home
When your near me, I'm home when
You're near me

So close, so far and so familiar Is where you end And where you came from

Sweet, as they fall from your lips Like snowflakes, they fall like the Snowflakes Dream, and the deeper you dream You are closer to home You are closer
