

mark foley was right - there are no ghosts in this town
there is no reason to fear, there are no obstacles here
mark foley was right - there are no barriers for medicine
mark foley was right - there are no barriers for shame
(shame)

audience please(pays?)!
every minute matters!

-all he ever wanted was a detonator

colin is a pussy a very pretty pussy
colin is a pussy a very pretty pussy cat
colin is a wide-eyed wanton hopped-up
hole of hail and hate
felt him slip down the back of my leg
found his hair by the castanets
made him mad with the silence
made him sick with the constant calm
heard him sigh in the dead of the night
it's times like these that make him wish I'd fail
