

## Manchasm

### Future of the Left

mark foley was right - there are no ghosts in this town  
there is no reason to fear, there are no obstacles here  
mark foley was right - there are no barriers for medicine  
mark foley was right - there are no barriers for shame  
(shame)

audience please (pays?)!  
every minute matters!

-all he ever wanted was a detonator

colin is a pussy a very pretty pussy  
colin is a pussy a very pretty pussy cat  
colin is a wide-eyed wanton hopped-up  
hole of hail and hate  
felt him slip down the back of my leg  
found his hair by the castanets  
made him mad with the silence  
made him sick with the constant calm  
heard him sigh in the dead of the night  
it's times like these that make him wish I'd fail
