Whippin' the yam, whippin' a fifth of the yam  
Turn the whole brick to a Lam  
Been rockin' the dope, soon as it get off the boat  
Keepin' it soft like a mink  
Gold on my link, coke in the sink  
Choppin' that work like karate  
Swerve in the new Maserati  
In a brand new Maserati  
That's a whole lot of new money  
Snatch it, then hide it from 12's  
Movin' and squashin' them bells  
Servin' the rawest of yell  
Beating that china like Kunta Kinte  
Whippin' it, whippin' that dope  
Drinkin' on syrup, I'm rollin' up haze  
Made myself a boss, a boss or a plug  
Either way you put it, nigga, I'm good  
Triple salute, nigga, straight out the hood  
Bakin' soda water splash the scales  
Fork in my right and my pride in my left  
Leanin' over, over to the side  
I whip me a fourway to a nine  
The dirty, the money is homicide  
And my recipe can't be televised

Young enough to still sell dope, but old enough that I knows better  
When they sayin' it's 42 for that white powder, I knows better  
Get it nigga? I nose better, put a smile on the devil's face  
Who don't wanna sell dope forever and flex their Rollie 'til the bezel break  
?  
Woo! Fish scale in the two-door that I fish-tail  
Fiberglass, Ferrari leather, in designer shit that I misspell  
YUGHH, look at the clues, the J's, the jewels, I mention the monkey  
From sixteen years old, I'm whippin' in kitchens, fuckin' my junkies  
Pablo, Versace way before Migos  
My dinner plates, no silverware, all you niggas my E-hoes  
Toss a kilo like a free throw, trap house, it had the peephole  
Made it through to the other side, now nothin's big as my ego

Me, I try to leave the best for later

But Pusha tried to put me on the respirator  
The old Skateboard P, that's your favorite  
Me and twenty girls doin' yoga naked  
Frequency high, like a spaceship  
She say that she like it and she's been exposed  
The Gandalf hat and the weird ass clothes  
That's Comme des Garçons and the Buffalo  
I know guerrillas with the triggers that's on a banana clip  
And packin' with the biggest missiles  
These niggas is knocking over vehicles  
These niggas ain't waitin' just to see niggas  
These niggas ain't tryna hear plea niggas  
These niggas like choppin' down trees, niggas  
These niggas 1-2-3 and they squeeze, niggas  
These niggas hit the weed then they leave niggas  
Gee, nigga  
If you got two hoes, you need to let one go  
Two Lambos, you need to let one go  
All these drones while y'all smoke dro  
Never honest, guy, I'm tryna let y'all know  
Ain't no standards, I'm a set one though  
Big ass bag but no man sandals  
All that war, we need to let that go  
That boom business, I'm a get that ho

Young nigga got that coke, whip that dope like a batter

Pass a nigga purp, pass a nigga zan, young nigga 'bout to pass out  
12 jump behind her, I got some in the car, young nigga 'bout to smash out  
Me gon' hit that line, say he got some bricks, young fresh, 'bout to buy 'em  
out  
QuikTrip 'round the corner, dropped a nine  
Got the J's in the hood tryna smoke a line  
Cocaine, cocaine cowboy, like Mickey Munday  
Take over the project, whip a 9, Nino Way  
I keep a 45 in my coat, while I'm servin' dope  
J's in my hood smoke that crack, say it give 'em hope  
Serve a nigga whole brick, he hopin' that it come and go  
Young nigga turnt up, spend that money with Casino!
