

## Faster Than The Setting Sun

Fyfe Dangerfield

When there's storm clouds higher than heaven  
And there's angels defeating themselves  
And you can't get past half past eleven  
Without feeding the sharks on the shelf

Then...

Faster than the setting sun we'll run away  
Faster than the setting sun  
Faster than the setting sun we'll run away

When you can't sleep for all of these visions  
of the iridescent lands  
and you can't reach a single decision  
without your wet face kissing your hands

Then throw it in the sand  
(Breathe it in, breathe it out)  
Try to understand  
Love lands

Faster than the setting sun  
Faster than the setting sun we'll run away  
Faster than the setting sun  
Faster than the setting sun...

No they don't slow dance 'round here no more  
No they don't slow dance 'round here no more  
No they don't slow dance 'round here no more  
No they don't slow dance 'round here no more

Faster than the setting sun we'll run away  
Faster than the setting sun

No they don't slow dance 'round here no more  
No they don't slow dance 'round here no more  
No they don't slow dance 'round here no more  
No they don't slow dance 'round here no more  
No more  
No more
