

The Leaders

G-Dragon

It don't really get better than this
Don't act like you ain't surprised
What's gonna happen sooner or later baby
Call us the leaders of the new school haha

What's up, what's up, what's up what's up what's up
What's up, what's up, what's up what's up what's up

Tellebijeone naega naomyeon (what's up)
Jugeotda kkaenado mot mitgyeojil
Meori kkeutbuteo bal kkeutkkaji dareun swagger
Ttarahagien beokcha I seutaireun naekkeo

(Today) yeppeunideul jul seo (what's up)
Da naman barabwa what's love?
Ssaujideul malgo cheoncheonhi ije come come and
Naega iraeseo pigonhae jallangeon aragajigo

Too fast to live too young to die
Momjibeun jakjiman nae moksorineun gulliver
Naineun jeokjiman I badagui sullivan
Hanbeon doratdahamyeon warrior

My name is G-G-G-G baby baby GD-GD baby baby
You want fame
Playing these stupid little game
You should check your girl's phone
That's my face on the frame

What's up, what's up, what's up what's up what's up
What's up, what's up, what's up what's up what's up
Ladies
What's up, what's up, what's up what's up what's up
What's up, what's up, what's up what's up what's up

Now everybody wanna know (What's up)
With that boy name teddy or what he up to
Nae meori sok garak imi ni seonban wie
Yeol songarak oneuldo geonban wie

Yeah nareum tae-eonaseon janggungam
Flow so deep jamsuham
Jamsuhameun ppalleo ppareumyeon bihaenggi
Bihaenggineun fly, fly hamyeon Teddy

GD, be the ace, CL, she a queen, how about 2NE1, they black jacks Beat that
Big bang in your face pow! Now take that
We the leaders of the new school
How you love that?

Georeumgeori dangdang nae miraeneun changchang
Nal igigo shipdameon geugeon wiheomhan sangsang
Let you kkabuneungeon gogeummuryeopgwanggwang
Keep looking at my feet, my shoes, they lanvin

What's up, what's up, what's up what's up what's up
What's up, what's up, what's up what's up what's up

Ladies

What's up, what's up, what's up what's up what's up
What's up, what's up, what's up what's up what's up

We, we, we da, we da leaders
You ain't in the game, you just cheerleaders
Nae nain nineteen, vision in hd
Meorin kkwak chaitji, tagonan maepsi

Imi cool hameul neomeoseo nan chagawoyeoreo beon
Mudae-e bureul jipin banghwabeom
Cuz I'm hot, eonjena shingirog
And this number 1 spot is my home sweet home

Nal ttaraharyeo marara guji haltemyeon haebwara mamcheoreom
Jal dwaenabwara I just do what I want
Eonjena jikilkkeon jikiljuraneun lady dapge
But I'm flipping and freaking it aju beoreut eopge

Ready or not here I come
We don't care eh eh eh geu nuga ape-itgeon
Mangseorijimalgo jebal eoseo pihae
And I'm CL the one and only baddest female

What's up, what's up, what's up what's up what's up
What's up, what's up, what's up what's up what's up
Ladies
What's up, what's up, what's up what's up what's up
What's up, what's up, what's up what's up what's up

Okay, be mad at me all you want
We are some major league sh*t
So you just got to stop hating
And step your game up

You know how we do it
We've been running this sh*t from day one
So be thankful for your style

You're welcome (he he he)
That's all me homie
YG baby
All night until infinity

One
