

California Culture

G-Eazy

On some old-school G shit, haha
California culture, yeah

I like to drink, I like to smoke
I like to chill and get high
In my California state of mind
(cal-cal-cali state of mind)
I like to drink, I like to smoke
I like to chill and get high
In my California state of mind
(Cal-Cal-Cali state of mind)

It was just one of those days
I was laid back chilling, and my homie hit me up around 1
He said, "Yo G, wake up, I gotta couple bad chicks
And they all wanna chill and have fun."
I said, "Got weed?" He said, "Got blunt?"
I said, "Off top, man, you already know
And if you wanna bottle, we can go to the sto'
And if we run out we can go and get mo'."
They all came through, swisher sweet, saw and
Got a pack, and burn five blunts down back-to-back
Stayin' stoned to the bone, I couldn't be higher
Playing Super Nintendo, street fighter
Just chilling, super laid back, posture
With 2,000 ones and I'm not gonna watch her
Stay fly, stay high, like a vulture
Bitches and blunts, California culture

I like to drink, I like to smoke
I like to chill and get high
In my California state of mind
(Cal-Cal-Cali state of mind)
I like to drink, I like to smoke
I like to chill and get high
In my California state of mind

California boy, I was raised in Oakland
Land of the grapes, everyday we smokin'
Go and hit this, guarenteed you chokin'
And we get hella high, start laughin' and jokin'
Thats how I was raised, first smoked in the eighth grade
All my homies sold weed, they was self-paid
Self-made, young entrepreneurs, selling dime bags
To the herb connoisseurs. This is good fashion
To burn my tree, come back next period
Reeking a lead, and my teachers would know it was me
So I got a five day suspension, like every other week
Word, shout out to Berkely High, with the granddaddy
Berk, get me Berkely high, hah
Super cool, man, I tried to warn ya
You can tell by my style, I'm from California

I like to drink, I like to smoke
I like to chill and get high
In my California state of mind

(Cal-Cal-Cali state of mind)
I like to drink, I like to smoke
I like to chill and get high
In my California state of mind
(Cal-Cal-Cali state of mind)
(Cal-Cal-Cali state of mind)
(Cal-Cal-Cali state of mind)
(Cal-Cal-Cali state of mind)
