Oh, it's just me, myself and I Solo ride until I die Cause I, got me for life (Got me for life, yeah)
Oh I don't need a hand to hold Even when the night is cold I got that fire in my soul

And as far as I can see, I just need privacy Plus a whole lot of tree, all this modesty I just need space to do me Give the world what they're tryna see A Stella Maxwell right beside of me A Ferrari, I'm buyin' three A closet of Saint Laurent, get what I want when I want Cause this hunger is driving me, yeah I just need to be alone, I just need to be at home Understand what I'm speaking on If time is money I need a loan But regardless I'll always keep keepin' on Fake friends We don't take L's, we just make M's While y'all follow, we just make trends I'm right back to work when that break ends

Oh, it's just me, myself and I Solo ride until I die Cause I, got me for life (Got me for life, yeah)
Oh I don't need a hand to hold Even when the night is cold I got that fire in my soul

I don't need anything to get me through the night Except the beat that's in my heart
And it's keeping me alive
(Keeps me alive)
I don't need anything to make me satisfied (you know)
Cause the music fills me good and it gets me every time

Yeah, lonely nights I laid awake
Pray to lord, my soul to take
My heart's become too cold to break
Know I'm great but I'm broke as hell
Having dreams that I'm folding cake
All my life I've been told to wait
But I'ma get it now, yeah it's no debate
Yeah
