G-Eazy

Young Gerald, uh  
This is the anthem  
Told the world I need everything and some, yeah  
Two girls that's a tandem  
She gon' do all it for me when them bands come  
Got it all, yeah I am young, rich, and handsome  
Uh, this shit is not random  
Everybody ain't got it, understand son, yeah  
This shit is not random  
Woah okay

It's my world and I do what I like to  
I know she gon' be ready when I slide through  
If you forgot I got it, I'll remind you  
Cause I got what they got I am talking times two  
Disagree with me and you've been lied to  
I am nothing like you, and no I'm not the type to  
Follow bullshit y'all give the hype to  
I can see the fakes, so when I look in your direction  
Understand I'm seeing right through  
You're hollow, you follow  
Everybody's not the real McCoy  
Worldwide, yeah, they feel the boy  
California out to Georgia, Florida then up to Illinois  
When I listen to your music I just feel annoyed  
Haters, I don't understand them  
Bred Jordan Ones from two thousand and one (OG)  
Today I think I want a Phantom  
If I don't get it I'ma throw a fucking tantrum, woah

This is the anthem  
Told the world I need everything and some, yeah  
Two girls that's a tandem  
She gon' do it for me when them bands come  
Got it all, yeah I'm young, rich, and handsome  
This shit is not random (nope)  
Everybody ain't got it, understand son (sorry)  
This shit is not random

Now imagine it, put the hours in and stay passionate  
Wasn't blowing money, I was stacking it  
Figured what the fuck I want to do in life and practiced it  
Pay attention, none of this is happening by accident  
Listen, I don't slack a bit  
Game plan solid, no cracks in it  
Said I want a billion now nothing less is adequate  
Grab and check, cashing it  
I was born addicted to the money  
Difference is now if finally found a way to manage it  
What you think I'm paid for nothing?  
You must be mistaken someone  
I had to go make that fund and I'm trying to be great at something  
Spend not saving nothing  
Flying from the bay to London  
They say that money talks but you're not saying nothing  
Now try and shade me, I'm like I guess  
Why yes, you drive a Toyota, please define flex

Sign CDs and I sign breasts  
Understand, to these female fans, I'm sex  
Listen
