

# Think About You

G-Eazy

Cause I do, cause I do, cause I do  
Keep writing you

Heart is racing hard  
Got you on my mind  
Don't ever think I don't  
I know what you like  
And I'm the only one that ever should  
Know when I cross your mind  
Make you wanna hit it right  
Right now, but don't even think about it  
I could get you right, yeah  
And I'm the only one that ever could  
But what you should do...

Don't, don't, don't, don't, don't  
Don't, don't, don't  
Don't think I don't think about you, oh, oh  
Cause I do, but...  
Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Cause I do, cause I do, but...  
Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Cause I do, but, don't

Last night I sent a message  
Drunk when I sent it, pieces of a fragmented sentence  
Essentially along the lines of saying I'm in town  
Didn't cross the line, just saying if you're down  
Let's chill and get a drink  
I sipped, hoping I would hear again  
The text bubble popped up and dissapeared again  
Like I don't want it getting weird again  
And I don't wanna fight  
And I don't want you shedding tears again  
It's not a big deal, but don't think I don't think about you  
Just cause I ain't spoken about you  
I'd asked how you feel but already know I won't get it out you  
You'll probably tell your friends that I wrote this about you  
Whatever, I know I can be jealous and crazy  
The voices in my head have liked to yell at me lately  
I still can't believe what they've been telling me lately  
Sometimes I wonder if you share my sentiments, maybe  
Let me know

Don't, don't, don't, don't, don't  
Don't, don't, don't  
Don't think I don't think about you, oh, oh  
Cause I do but...  
Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Cause I do, cause I do, but...  
Don't, don't, don't, don't, don't

Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Cause I do, but...  
Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Don't, don't, don't, don't, don't  
Don't think I don't think about you, oh, oh
