

Ain't My Baby

Gabe Bondoc

I made a mistake and I'm sorry.
I was wrong... and it's hardly enough just to say the words.

I misled, I regret it.
And she won't forget it...
I'm just a fool... I'll admit that I am.

And who's laughing now?
I heard she found somebody new to give her heart to.
I wore a crown...
... traded it in for a permanent frown cuz' my baby...
Ain't my baby no more.
