

# Temporary

Gabe Bondoc

You're telling me I got a lot to gain  
And this feeling that I feel  
It's only temporary pain  
But when a heart is breaking  
Don't they all just break the same  
I'm no exception to the simple rules  
That have already been laid

Girl I got nothing if I ain't got you  
So if you have all the answers  
Could you tell me what to do  
I don't want to be here if it ain't with you  
So could you tell the truth  
You know that this isn't just temporary

I wish that I could read your mind  
So I could see the thoughts aligned  
The thoughts you use to justify  
A single style of life  
We never fight, I never made you cry  
So this is all a big surprise

Girl I got nothing if I ain't got you  
So if you have all the answers  
Could you tell me what to do  
I don't want to be here if it ain't with you  
So could you tell the truth  
You know that this isn't just temporary  
No, no, no

Baby girl I,  
I wanna live in the life  
That includes you  
I'm trying to give you the world  
That doesn't suit you  
Baby nothings gonna stop me now, oh no  
I wanna work on the love  
That isn't there yet  
Okay it's not what you want  
But nothings perfect  
Baby can't you see you're all that I need

Girl I got nothing if I ain't got you  
So if you have all the answers  
Could you tell me what to do  
I don't want to be here if it ain't with you  
So could you tell the truth  
You know that this isn't just temporary

Girl I got nothing if I ain't got you  
So if you have all the answers  
Could you tell me what to do love  
I don't want to be here if it ain't with you  
So could you tell the truth  
You know that this isn't just temporary

Your love, this love

Maybe that's what's temporary  
Oh no, oh no
