

The Other Way Round

Gabin

(Yes I'm) Talkin' 'bout commuter love
(Yes I'm) Talkin' 'bout commuter love
(we're both hoping for that empty seat)
Always running just to miss this rain
(Yes I'm) Talkin' 'bout commuter love
(I can't find a way to get it straight)

When you're late I'm early
Or the other way round, now
Let's face it: we ain't gonna make it
When I'm late you're early
Or the other way round, now
Let's face it: you're not coming around
