

I Am Just a Girl

Gabriella Cilmi

You should let me be the one
To be your cover when you run
You should let me be the one
When your odds are 100 to none

Before you leave this time
Please shut the door behind
I have your back
You just relax
Count back the time

Until the midnight sun
I'll wait for you to come
I have your back
You just relax
And don't think twice

I am just a girl who's
Kind enough to love you
I don't mean to hurt you

You should let me be the one
To keep the heavens high above
Let me be the one you trust
With your heart and a loaded gun

Before you leave this time
Please shut the door behind
I have your back
You just relax
Count back the time

Until the midnight sun
I'll wait for you to come
I have your back
You just relax
And don't think twice

I am just a girl who's
Kind enough to love you
I don't mean to hurt you

I am just a girl whose
Shadow's in your bedroom
You should let me love you

I turned heaven down,
So I'd be around,
I'd stick around for you
I turned heaven down,
Put money down,
Put down my life for you
[x 2]

Before you leave this time
Please shut the door behind
I have your back

You just relax
Count back the time

Until the midnight sun
I'll wait for you to come
I have your back
You just relax
And don't think twice

I am just a girl who's
Kind enough to love you
I don't mean to hurt you

I am just a girl whose
Shadow's in your bedroom
You should let me love you
