

# On a Mission

Gabriella Cilmi

It's tough for me to make a move  
And I know what I gotta do  
Cause I got everything to prove  
I got a plan I'm sticking to

The word is that I'm over doubt  
But I don't let it get me down  
I ain't nobody's push around  
If they could only see me now

There's only one thing on my mind  
And I am running out of time  
I'm coming girls, so get out of the way

I am a woman on a mission whoa  
Nothing can stop me, I'm stronger than ever  
I'm gunna see this through  
I am a woman on a mission whoa  
Whatever it takes I will do what I gotta do

I'm gunna lay it on the line  
I won't give up without a fight  
Cos I can see the finish line  
Wont stop until I think your mine

So read the writing on the wall  
I'm ready and I'm standing tall  
Some people think they know it all,  
I guess I'll have to show 'em all

There's only one thing on my mind  
And I am running out of time  
I'm coming girls, so get out of the way

I am a woman on a mission whoa  
Nothing can stop me, I'm stronger than ever  
I'm gunna see this through  
I am a woman on a mission whoa  
Whatever it takes I will do what I gotta do

Stand aside cos I'm on a mission  
I'm on fire, there's no competition.  
You can't blame me I got intuition  
And I never miss a trick just like a magician

You don't need cash, you don't need permission,  
If you think I'm scared, you must be tripping.  
Foot on gas, Key in ignition,  
Can't stop now cos I'm on a mission

I am a woman on a mission whoa  
Nothing can stop me, I'm stronger than ever  
I'm gunna see this through  
I am a woman on a mission whoa  
Whatever it takes I will do what I gotta

I never give up, I never give up, I never give up

I'm on a mission  
I never give up, I never give up,  
I'm gunna see this through

I never give up, I never give up, I never give up  
I'm on a mission  
Whatever it takes, I will do what I gotta do.
