Gabriella Cilmi

That Old Pair Of Jeans  
You Always See My Wearing When It's Grey  
You Know What I Mean  
Oh I'm Riding A Lazy Mood

Cause You've Been Waiting Got Me Ready To Go  
And I've Been Straying Off The Way That I Know, Keep Me  
Wise Enough, Nothing To Owe  
Guess I Need Ya And I Want It To Show

Lying Here In My Sanctuary  
Days Go Past it's Autumn Already  
And I Wish It Would Thunder  
Oh High Up Here In My Sanctuary  
Day's Go Past It's Autumn Already  
And I Sit Here And Wonder

And I'll Kick Off My Shoes  
Think About The Things that I'd Like To Do  
Everything Going Smooth  
There Ain't Nothing I'd Rather Do

Cause You've Been Waiting Got Me Ready To Go  
And I've Been Straying Off The Way That I Know, Keep Me  
Wise Enough, Nothing To Owe  
Guess I Need Ya And I Want It To Show

Lying Here In My Sanctuary  
Days Go Past it's Autumn Already  
And I Wish It Would Thunder  
Oh High Up Here In My Sanctuary  
Day's Go Past It's Autumn Already  
And I Sit Here And Wonder

Lying Here In My Sanctuary  
Days Go Past it's Autumn Already  
And I Wish It Would Thunder  
Oh High Up Here In My Sanctuary  
Day's Go Past It's Autumn Already  
And I Sit Here And Wonder

What I Say And What I Mean, Are Two Very Different Things  
Can't Tell Life From Lies Got A Bad Sense Of Spins  
What I Say And What I Mean Are Two Very Different Things, Babe, It's Time To  
Figure It Out

Holding My Hands In Your Hands And I Wont Let Go  
Keeping Your Words And Your Face Is A Place Like Home  
I've Been Blind Don't You Know
